New Members Exhibit

We have invited **new members** to exhibit in our gallery upstairs at the Long Beach Public Library during the Month of January.

They have been asked to give a short talk about their art, their motivations and techniques.

Receiving and Pick up

On Thursday, December 30, 11-12PM

New Members can drop off their artwork on the designated day and time, and pick up art submitted for the Members Choice exhibit at the same time. All others will be picking up their art submitted for Members Choice on this date.

When you enter the show, you are agreeing to the date and time of delivery and pick up. You cannot pick up your work early or exchange artwork because it destroys the look of the show. In addition, we are not able to store any painting that is not picked up, so you must make arrangements if you cannot make it at that time. You are leaving your art at your own risk. We are not responsible for any loss or damage that may occur.

The entry form appears at the end of this newsletter. If you do not have it filled out beforehand, you will be asked to fill it out elsewhere and return. Because of Covid restrictions, we are not allowing people to sit and congregate longer than a few moments, so please be respectful of this. The Library requires all people who enter to be wearing a mask whether vaccinated or not.

Going forward, we ask you to email Denise Bory at sundaze517@aol.com with the image, title, size and medium of the artwork you are entering in the show a week beforehand, in this case by December 24.

Our December Holiday party and Members Choice Award Show was a huge success. Everyone enjoyed socializing with friends. Congratulations to the winners of the Members Choice awards: **Tom Baker, Selma Stern and Efrat Baler-Moses**

We want to continue to provide creative programming, exhibits and learning opportunities. We need the support and involvement of our membership in order to continue to do so. Please consider lending your expertise to our Board of Directors. Contact Kathryn Ramsey at bluenyrose@aol.com.

The Long Beach Art League was founded by Leona Post in 1951. She generously supported the league's artistic endeavors until her passing, after which her daughter Jude continued to do so. Their generosity has allowed us to provide the community with varied art learning experiences, including classes for seniors, and scholarships for talented high school students. We will always be grateful for their generosity and support.

NEW MEMBER

Stefani Jarrett

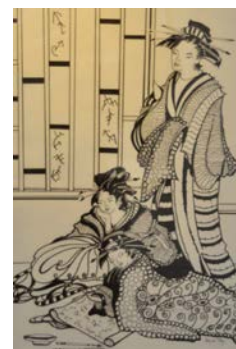

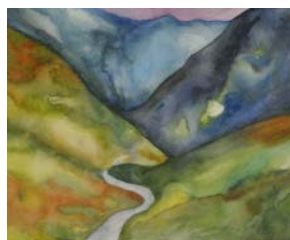

Growing up in Newburgh, New York, watercolorist Stefani Jarrett had many creative influences in her childhood. She was surrounded by her Mother's easels, her Dad was in local musical theatre and her Grandmother had a night club in NYC. Passing on that creative spirit later in life, Stefani encouraged her own daughter to express herself by graffitiing on her bedroom walls.

About two decades ago, Stefani started painting when she was given her Mother's watercolor supplies. She was drawn to watercolors because of the movement of the water as well as how the water and paint naturally created a melting pot of colors, textures and depth. As a retiree in Long Beach, she now devotes much of her time to painting and finds much enjoyment in creating for herself and for others. She uses her artistry to make individuals feel beautiful about themselves and the world around them. To view Stefani Jarrett's artwork, go to the website www.stefanijarrett.com.

Stefani is a foodie who likes traveling and running to stay fit. She is looking for a painting partner(s) so please email her at stefanijarrett@gmail.com if you are interested.

One of the requirements for entering art work is that it be original. That means that we do not want copies. Any work that resembles another artist's work must be attributed to that artist in its title using the words: In "homage to" or "paying tribute to", etc.

Stay healthy and safe. We look forward to seeing you in January
