Leona Post Juried Membership Show

Judged and Critiqued by

Howard Rose

Mr. Rose has been painting with oils since 1989. "It certainly was and is an exciting journey to become an artist and see the world through an artists eye." He loves the challenge of turning an everyday scene into a successful and exciting painting. Inventing new shapes and colors, tweaking the design and making it read as you envisioned.

Receiving Information

On May 25, 11:00-12:00Noon, we will receive art for the juried show. There is no theme. We will accept two entries, no larger than 48" in any direction. There will be a \$10.00 Entry fee for up to two pieces.

MESSAGE FROM THE PRESIDENT

The Long Beach Art League began its work over sixty years ago. Our mission is to help stimulate creativity and proficiency in the arts by collaborating with other art organizations for the beautification of our community and promotion of an increased appreciation of arts and culture in the society at large.

Just recently we joined with Artists in Partnership, the Long Beach Housing Authority and The City of Long Beach to offer art classes to low income seniors and residents in Long Beach. If you are interested in helping facilitate this program, please call me.

We do not offer programs, nor do we have our art exhibitions in the Long Beach Library during the summer. The Board, however, will be meeting during the summer to make decisions about our activities beginning in September. We are looking for creative ideas! If you are interested in joining us as a member of the Board of Directors of the Long Beach Art League, please call.

Sending good wishes to you, today and always,
Kathryn
